BALTIMORE—FRIDAY, DECEMBER 24, 1824.

The Sixth Drawing

Of the State Lottery took place yesterday—no prize was drawn higher than One Hundred Dollars—the chance for the GRAND CAPITALS is of course considerably increased—the Lottery will continue to draw with rapidity, and considering the magnitude of the scheme, will be completed in a very short period from the date of its announcement.—Anticipating the pleasure of distributing a due proportion of the prizes, we urge our distant friends to forward on their orders as soon as practicable—our usual personal attention will be given.

The present favorable period for investing in the GRAND STATE LOTTERY should not be permitted to pass by unimproved. One fourth of the drawings are already over and in a short time the great capitals in the scheme (which is the most brilliant in the United States) must be distributed—they consist of viz:

| | |
|---------------|---------------|
| 40,000 Dolls. | 10,000 Dolls. |
| 20,000 Dolls. | 5,000 Dolls. |

Besides 21 of One Thousand Dolls.—15 of Five Hundred Dolls. &c. &c.—the whole payable in Cash. ORDERS ought to be sent on as soon as possible.—Persons at a distance may at all times with confidence forward their REMITTANCES to COHEN'S OFFICE, for if the great Capitals in the Scheme should be drawn when their Orders arrive, and the state of the wheel not justify an investment, the amount enclosed will be returned by the first mail.

***ORDERS from any part of the United States, either by mail, (post paid,) or by private conveyance, enclosing the Cash or Prize Tickets, will meet the same prompt and punctual attention, as if on personal application.

Be particular in directing to
J. I. COHEN, JR.—BALTIMORE.

CASH as soon as drawn. Agreeably to accustomed promptness and punctuality, the Cash can instantly be had at COHEN'S OFFICE for all prizes in the schemes in which this Office is engaged. In the GRAND STATE LOTTERY of Maryland now drawing in Baltimore, the numerous and brilliant Capitals, as well as the judicious arrangement of the scheme, have caused so great a demand for the tickets, that the Commissioners are progressing with the drawing every week—Adventurers should complete their purchases without delay.

NOTICE.—We have continued ever since the Washington Monument Lottery was completed, to send the Register to all those adventurers who purchased tickets at COHEN'S OFFICE in that Scheme, without reference to their having purchased any in the present GRAND STATE LOTTERY, or not. On the first of January, however, we shall discontinue sending to all except those who, by that time, may have purchased tickets or shares from our Office, in the present State Scheme.

Late Foreign Intelligence.

The packet ship Cadmus, Captain Allyn, has arrived at New York from Havre, whence she sailed on the 6th ultimo.

Capt. Allyn visited Gen. La Fayette's family at La Grange, and left them all well on the 24th of

October. He has brought letters for the General and his Son, and a portrait of the General to be presented to Congress, from M. Scheffer, painter, at Paris.

A letter from Havre, from a respectable source, dated November 2d. says. "We have news from Liverpool to the 28th of October, which continue favorable for Cottons. The market has been very active, and Fifty four Thousand bales have been sold in October. The prices at the latter dates were one penny sterling per pound advance in those of three weeks previous; we expect they will advance still further. Here, although we are in a state of calm, holders remain firm and purchasers are with difficulty persuaded to come forward at an advance of prices. Good Uplands have been sold at 20 to 25½ sous, Louisiana, at 28 to 31 sous."

LONDON, Oct. 27.—A subscription is about to be opened to form a company of thirty ladies and gentlemen, to proceed in a Packet to visit the coasts of the Mediterranean, the Isles of Greece, Asia Minor, Syria, Egypt, and the Black Sea. The vessel is to be equipped with elegance and provided with every thing which can contribute to the pleasure of the passengers. The expedition will occupy three years, and the expense will be £800 sterling each passenger.

Moscow, though containing a population of only about 350,000 souls, is said to stand upon more ground than any city in Europe; almost every palace or Nobleman's house having a garden, and all wooden houses being detached from the fear of fire.

Domestic Intelligence.

The State Bank of North Carolina has declared a dividend of four per cent. on the capital stock, for the last half year ending 30th November.

The Boston Courier states that on Saturday last upwards of fourteen thousand barrels of flour arrived at that port. A large portion of this quantity was furnished by Baltimore.

A petition is now pending before the Legislature of Virginia, praying that body to propose to the legislatures of the other states a constitutional amendment, dispensing with all Presidential Electors, and restoring the suffrages to the people direct.

The estimate of the appropriations necessary for every branch of the Naval service, for the ensuing year, is two million, two hundred and ninety-eight thousand dollars.

The North Carolina 74.—On Saturday, says the Norfolk Beacon, the Broad Pendant of Commodore JOHN ROGERS, was hoisted on board this superb ship, upon which occasion the Commodore visited her; the yards were manned and a salute fired in handsome style.

The U. S. frigate Congress, Lieut. Saunders in command, was towed up by the steam-boat Petersburg, Captain Chatman, from the Gosport Navy Yard, near Norfolk, and arrived within a mile of Greenleaf's Point, Washington city, on Thursday last. The Congress has been brought up for the purpose of being repaired.

The Agents of the Haytian Emigration Society, have taken the large ship Telegraph, of Philadelphia, to sail about the 25th of the present month, with Emigrants to Port-au-Plat, Cape Hayti, and Port-au-Prince.

Mr. Goodacre delivered a Lecture on Astronomy, at the Boston Theatre, on Monday last. This he proposed should be the last, during his stay in that city.

The Hornet's launch arrived at Matanzas on the 14th ult. from a cruise of 14 days to windward, having burnt a piratical establishment, and two boats.

The French squadron, from the Chesapeake, arrived at Fort Royal, (Mart.) about the 12th ult.

A bill making a partial appropriation for the year 1825, (appropriating \$265,000 for the compensation of the Members and Officers of the two Houses,) has been passed in the House of Representatives.

The Rev. Mr. Post, of Washington, has been elected Chaplain to the House of Representatives.

Messrs. Wortley and Stanly, Members of the British parliament, arrived at Louisville, (Ky.) on the 28th ult.

A letter from Louisville, Kentucky, states that a fracas took place between Mr. Southard and Mr. William Steele, merchants of that place, in which Mr. Steele was stabbed in the breast, and died instantly.

The present king of Persia made many inquiries of Sir H. Jones respecting America, saying, "What sort of a place is it? How do you get at it? Is it under the ground, or how?"

The arrival in the United States of General LA FAYETTE, was celebrated at Caraccas on the 19th of October, by the American citizens residing there, at the house of Mr. Forsyth, who presided. A number of distinguished guests were present, and every thing was conducted with the utmost harmony.

A letter from Port-au-Prince, Hayti, dated 18th ult. says that a vessel had arrived there, from Philadelphia, full of emigrants, with the Small Pox raging among them. She was ordered outside of the harbour, and directions were given that not an individual should be permitted to land.

James Pleasants, was, on the 8th inst. re-elected Governor of the State of Virginia, by the Legislature, for one year.

General La Fayette.

In the Senate of the United States, on the 24th inst. Mr. HAYNE, from the Committee appointed on so much of the President's Message as relates to making a provision for the services of General La Fayette, reported the following bill:

Be it enacted by the Senate and House of Representatives of the United States in Congress assembled, That the sum of \$200,000 be, and the same is hereby, granted to Major General La Fayette, in compensation for his important services and expenditures during the American Revolution, and that for this purpose a stock to that amount be issued in his favour, dated the 4th July, 1824, bearing an annual interest of 6 per cent. payable quarterly yearly, and redeemable on the 31st Dec. 1834.

Sec. 2. And be it further enacted, That one complete and entire township of land be, and the same is hereby, granted to the said Major General La Fayette: and the President of the United States be authorized to cause the said Township to be located on any of the public lands which remain unsold, and that patents be issued to General La Fayette for the same.

On motion by Mr. Hayne, the bill was twice read, and made the order of the day for to-morrow.

NORTH CAROLINA.—The Legislature of this state is in session, and busily occupied. Upon a report by the committee upon the communication of the Governor, relating to the expected visit of Gen. LA FAYETTE, resolutions were unanimously passed, on Monday last, requesting the Governor to superintend the arrangements for the reception and accommodation of the 'Nation's Guest,' and to assure him 'of the deep and grateful sense entertained by the people of this state of the value and importance of his services in obtaining the independence they enjoy;' and that he be authorized to draw on the Treasurer for the necessary sums.
